

Capri

Every day (except Dec. 25th and Jan. 1st) - Full day - Approx 8 hours

With our local guide you will board on the Jet boat for the 45 minutes crossing to **Marina Grande**, the port of **Capri**. Here you will then board motorboats and visit **the Blue Grotto** (if weather and sea conditions permit). Minibuses are then used for a panoramic tour eventually arriving at **Anacapri** situated at 280 meters above sea level from where you will have a wonderful view of the bay of **Naples**. After lunch in a local restaurant, you will then have some free time before returning to Marina Grande to board the boat back to Naples. Entering the port of Naples, don't miss this opportunity to admire the splendid Certosa of San Martino and the Royal Palace (a fortress of the 12th century). Tour ends after disembarkation. No return to hotel included.

N.B. We would recommend that you wear comfortable clothes and especially comfortable shoes to assist you when boarding the boats.

During high season there may be delays in boarding the boats and minibuses and we ask you to pay particular attention to your guide to avoid getting separated from your group.

VERY IMPORTANT: If the sea conditions are so bad as to not permit the boats to leave from Naples to Capri, it will be necessary to substitute this tour with the tour of Pompeii (tour 15N) and the difference in price will be reimbursed.
