

## Florence walking tour

**Every day except Mondays, Wednesdays and Fridays from 1st March to 31st Oct.  
Tuesdays, Thursdays and Saturdays from 1st Nov. to 28th Feb.  
Approx. 2 hours**

At 11.45 am: meet our guide opposite to the Academy Museum, Via Ricasoli 109, in front of the “Everything” - souvenir shop. The walking tour starts by visiting the **Academy Museum**, where, among other works of Michelangelo, we will admire the magnificent **David**. The walk continues with our guide through the historical streets of Renaissance Florence until we reach the religious centre of Florence to see the **Cathedral of Santa Maria del Fiore**, with Brunelleschi’s beautiful dome. Other treasures, the **Baptistry** and **Bell** can be admired before walking along Via dei Calzaiuoli, which leads to the political centre of the city: **Piazza della Signoria**. This is really the “heart” of Florence, an open air museum with a collection of works of art from different historical periods. Our guide will tell you numerous interesting stories and little known facts about these beautiful buildings and statues. End of the walking tour.
